As soon as you book your event at Gate Street, we have 6 onsite accommodation units which are automatically reserved for you the night of your wedding.

- The Farmhouse (7 bedrooms)
- The Stable Flat (2 bedrooms, optional sofa bed)
- The Hayloft (1 bedroom)
- The Pool House (1 bedroom)
- The Beech Hut (1 bedroom)
- The Shepherd's Hut (1 bedroom)

For additional information and detail for each unit, please refer to our website and accommodation rate sheet.

- ❖ To book and secure any or all units, you must return the completed Booking Form to the office and pay a 50% deposit and the final 50% is due a month before your stay. This will also secure the rate at the time of booking as these are subject to increase at any time.
- ❖ Once you have confirmed the units you would like to book, the payments will be added to your Brite portal. All payments are to be made via BACS to our details. Please ensure you use your initials and event date as the reference.

Please note payments are per unit opposed to per room.

- ❖ Standard check in to the accommodation is 12pm and check out is 10am. If there is no event the day after your event, the check out time is automatically extended to 10.30am free of charge. If you would like to extend this further, there is a £50 charge per half hour. Extensions can only be confirmed 4-6 weeks prior and the latest an extension can be arranged is 1 week prior to your stay.

If an extension is arranged, please note this is only applicable to The Farmhouse and check out for all other units will remain at the original time. Guests are welcome to congregate in The Farmhouse.

- ❖ If The Farmhouse is booked, included in the cost for this unit is an in-house chef who will prepare and cook the *Farmhouse Feast Breakfast* for you the following morning – a full cooked breakfast. All your guests staying in onsite accommodation will be directed here upon check-in unless requested otherwise by you.
Please refer to our breakfast options for further details based on numbers.

THE WHITE HOUSE

The White House, despite its location and proximity to the venue, is not classified as onsite accommodation as it is booked on a first come, first serve basis.

- ❖ If you would like to secure The White House for your wedding, whether this be the night of or an extended stay, we strongly recommend booking this at the time of securing the venue for your wedding or shortly after to avoid disappointment.
- ❖ To secure The White House, we accept a £250 non-refundable deposit (per night required) and the remaining balance is due 1 month prior to your stay.
- ❖ The White House resides just beyond our Farmhouse with its own private driveway and garden and is a self-catered hosting space with access to all the necessary amenities (unlike The Farmhouse where the Kitchen & Dining Room are locked off outside of the breakfast period). The property sleeps up to 11 guests, including three ensembles (please request a floorplan for further detail).
- ❖ If The White House is reserved for 2 nights with no changeover required, then a 10% discount is applied to the stay.
- ❖ If The White House is secured as additional accommodation for the night of your wedding and you would like the guests to join for the cooked breakfast in The Farmhouse, our chef will prepare our *Farmhouse Classic Breakfast* that includes sausage baps rather than the full cooked option.
- ❖ Check-in is from 3pm and check-out will be at midday the following day.
- ❖ Booking forms are supplied upon request or downloadable from the Brite portal.
- ❖ To secure a reservation please contact the Gate Street Team by either calling the office on 01483 894362 or emailing wedmin@gatestreet.co.uk.
