BOOKING ACCOMMODATION

ESTATE PROPERTIES

In addition to our 6 onsite accommodation units, there are two further accommodation properties on the estate – The White House and The Corner Cottage.

- ❖ Please note that due to the property's locations, these can be reserved independently, with reservations having no impact on events taking place at the venue due to their locations.
- ❖ Because of this, these properties are available to the public to book at any time and are reserved on a first come, first served basis. This also means, however, that both properties are available to reserve for multiple nights, should you wish to stay the night before or extend your stay after the wedding.
- ❖ Both The White House and The Corner Cottage are self-catered hosting spaces – if you would like guests staying in these properties to use the Farmhouse facilities the morning after the wedding (such as the swimming pool and garden area), we kindly ask that they arrive after the Farmhouse breakfast service has concluded, as breakfast is provided for guests staying in the onsite accommodation units only.
- ❖ To secure either property, a £250 non-refundable deposit is required (per night, per property) and the remaining balances are due 1 month prior to the reservation date.
- ❖ If you would like to reserve The White House and The Corner Cottage, we strongly recommend booking this at the time of securing the venue for your wedding or shortly after to avoid disappointment.
- ❖ If The White House or The Corner Cottage are reserved for 2 nights with no changeover required, then a discount is applied to the stay.
- ❖ Check-in is from 3pm and check-out will be at midday the following day.

To secure a reservation please contact the Gate Street Team by either calling the office on 01483 894362 or emailing wedmin@gatestreet.co.uk.
