

# GATE STREET

## OUTDOOR CEREMONIES

We have recently had 2 of our spectacular outdoor spaces licensed for Civil Ceremonies for up to 150 guests, meaning you can legally have your ceremony take place here. We have included an image below of the locations of both spaces (circled) for your reference.

## FARMHOUSE AVENUE

The Farmhouse Avenue is nestled within the landscaped Farmhouse gardens. This area is manicured and maintained as part of the gardens at Gate Street but also for use as a ceremony space. There is no additional cost for the use of this space to Gate Street, however décor and furniture, including seating, is required to be provided by the hirer. We request that you use one of the following suppliers:

Crystal Hire  
[info@crystalhire.com](mailto:info@crystalhire.com)  
01252 314779

Perfect Pitch Marquees  
[enquiries@perfectpitchmarquees.co.uk](mailto:enquiries@perfectpitchmarquees.co.uk)  
07590 046552

If you would like to use an alternative supplier for seating hire, this will need to be authorised by Gate Street in advance.

## WOODLAND SITE

The Woodland Wedding site is located in our unique and hidden location, just a short walk from the main venue. The area is rustic and informal, therefore we ask that you advise guests to wear sensible footwear as the walk from the main Car Park is roughly 5 minutes and the path leading to the seated area is woodchipped. The road leading to the area is a dirt track and therefore not recommended for low cars, the road can be used and parking is located at a closer point to the Woodland Site if preferred.

Gate Street provide 8 Wooden Benches at the site which can seat a total of 40 guests. All additional seating is required to be provided by the hirer. This can be as formal or informal as the hirer requires and has previously included picnic blankets, additional benches or more formal seating. The area surrounding the structure, where the ceremony will take place, is not vast and is encouraged that a viewing is arranged to assess the area size and preference in seating.

There is an additional £500 applicable for use of the Woodland Site and is due no later than 2 months before the event. 50% of this fee is refundable post event if the ceremony is unable to take place due to the weather.

## WEATHER

Due to both areas being outdoor and unsheltered, the ceremonies taking place in these areas are highly weather dependent. The Barn is the back-up option for wet weather and a decision is required to be made 24 hours before the Ceremony so we can arrange the ceremony set up.

The area where the ceremony takes place is completely down to the discretion of the Registrars if the weather is unkind.

## MUSIC

All music taking place in an outdoor area must be unamplified and your chosen musician should be made aware of this. A low, small portable speaker will be authorised, and the volume will be required to be authorised by a Gate Street member of staff on the day. A member of the wedding party will need to be in charge of the playing of music during this time.
